Sir:

In connection with the subject application, submitted herewith is a PTO form 1449 disclosing 4 references along with a copy of each reference.

Each item of information contained in the information disclosure statement was cited in a counterpart international application as part of an International Search Report dated 17 July 2003, not more than three months prior to the filing of this information disclosure statement. A copy of the International Search Report is enclosed, and the relevance of each reference to the application is described therein.

This IDS is intended to be in full compliance with the rules but should the Examiner find any part of the requirements to have been omitted, prompt notice to that effect is requested along with additional time under Rule 97(f) to enable applicants to comply.
